

FLOATING RAFT KNIFE

APPROVALS

No listed approvals for this product.

DETAILS

- 100% buoyant
- High-visibility yellow handle
- Razor-sharp 2 3/4" blade with dull, rounded edge
- Comes with lanyard attachment

NOTES FOR USE

For use in or around the water, the survival floating knife comes equipped with a razor-sharp blade with a dull, rounded edge to prevent accidental puncture of inflatable equipment. The neon yellow handle ensures that the knife can be easily found if dropped in the water.
